

The GDN/CAM Partnership

GDN partners with the Center for Applied Ministry (CAM), a contextualized church planting and leadership development organization responsible for over 350 churches. Local church leaders are trained in CAM sessions. CAM provides its expertise in contextual church planting in various consultations throughout Asia.

**Global Development Network
is about:**

Empowerment

Diversity

Flexibility

Sustainability

Spirituality

Our **Vision** is holistic community transformation.

Our **Mission** is, by God's grace, to empower grassroots leaders and organizations to bring positive changes to at-risk communities in Southeast Asia.

We do this through:

- Socio-economic development
- Education
- Relief
- Promotion of justice
- Leadership development
- Spiritual formation

The GDN/SDRF Partnership

Global Development Network (GDN) and the Sustainable Development Research Foundation (SDRF) enjoy a vibrant partnership in their commitment for addressing the needs of at-risk communities in Thailand.

The GDN/SDRF partnership has expanded its work into four major regions of the country. Holistic development projects include: agriculture, agro-forestry, aquatic fish farms, education, HIV/AIDS advocacy, marine aquiculture, and public health programs.
